**Christian Youth in Action
 Teen Summer
 Missionary Program**

- ___ Teen Summer missionaries
- ___ 5-Day Clubs
- Total enrolled – ___
- Total decisions for Christ - ___

We are so thankful to our faithful God for providing creative ways to reach children for Christ during the pandemic, and how He has now opened some of the schools back up to us. We are also thankful for the teen summer missionary program He has birthed during this time, the trainings we've been able to completely revamp, the digital curriculum components we've been able to introduce into the curriculum and more.

What a great God we serve whose heart is to always reach the children!
